## **ANNUAL CONFERENCE**

October 16 - 18, 2019, Long Beach, California

NOTE: Policy committee members should be aware that lunch is usually served at these meetings. The state's Fair Political Practices
Commission takes the position that the value of the lunch should be reported on city officials' statement of economic interests form. Because of
the service you provide at these meetings, the League takes the position that the value of the lunch should be reported as income (in return for
your service to the committee) as opposed to a gift (note that this is <u>not</u> income for state or federal income tax purposes—just Political Reform
Act reporting purposes). The League has been persistent, but unsuccessful, in attempting to change the FPPC's mind about this interpretation.
As such, we feel we need to let you know about the issue so you can determine your course of action.

If you would prefer not to have to report the value of the lunches as income, we will let you know the amount so you can reimburse the League. The lunches tend to run in the \$30 to \$45 range.

<sup>&</sup>lt;sup>1</sup> Due to heavy attendance over the last two years at the Leaque's Environmental Quality Committee, the members of the committee have repeatedly raised concerns that the League's conference room is unable to adequately accommodate the committee. For those reasons, we have switched this committee to Thursday so it can meet at the convention center in a larger space.
